Dear Parents/Guardians

**OM Applemore Lessons commencing September 2017**

As your child will be attending discrete Applemore lessons from September, they will be expected to supply their own equipment for each lesson.

This will include;

- Black pens
- Pencils
- Ruler (measuring in cm/mm up to 30cm, not inches)
- Pencil sharpener
- Rubber
- Scientific calculator
- Pencil case

If your child is attending Maths lessons, they will also require the following;

- Protractor
- Compass

Your child will be expected to take their equipment to every lesson. Your child will also be supplied with an Applemore planner to encourage independence when recording homework/catch up and when it is due. Pupils will be supported with this.

If you have any questions please do not hesitate to contact me.

Yours sincerely

Oakmore Staff.
